The Knights' castle

GROWING IN EVERY

Cafeteria addition began in early June

Richwoods Community High School opened in 1957 with an enrollment of 1074 students, and today, 5 years later, we have grown to nearly 1700. With each year's enrollment growing, the Knights soon outgrew the original building, and a new wing was added in 1958. Today as current enrollment figures indicate our physical plant again needed to be expanded. The members of our community recognized the necessity of additional facilities and expansion; they, in 1961, endorsed and approved a bond issue which will add to our physical plant to accommodate an enrollment of 2300-2400 students. Truly we at Richwoods continue to grow in all directions — not only our physical plant — but we as Richwoods Knights grow academically and socially. We are prepared to meet the world of tomorrow which will soon be today.

Members of the German Club partake of refreshments at their Christmas party.

The "Round Table" Alumni Breakfast was very successful. Miss Curran originated the idea, and the alums and the senior college-bound seniors really enjoyed it.

Students who participate in the Behind-the-Wheel Driver Education program during the summer learn many of the mechanics of a car.

A number of alumni debators at Richwoods come back at Christmas to participate in a debate with the present Knight debaters.

IN MEMORIAM

LINDA McCOSKEY
BORN: JULY 15, 1947
DIED: FEBRUARY 10, 1962

"Forget each kindness that you do
As soon as you have done it;
Forget the praise that falls to you
The moment you have won it;
Forget the slander that you hear
Before you can repeat it;
Forget each slight, each spite, each sneer,
Wherever you may meet it.
"Remember every kindess to you,
What'ere its measure;
Remember praise by others won,
And pass it on with pleasure;
Remember all the happiness
That comes your way in living;
Forget each worry and distress,
Be hopeful and forgiving;
Remember good, remember truth,
Remember Heaven's above you,
And you will find through age and youth,
That many hearts will love you."

We read that a cheerful philosophy is an important element of success in anything. Gladness is one of the great rules of health. If you are sick it may be hard to be glad, but it will help. Those around you will love you for it.

We must put behind us and close the door upon all the old worries and discouragements, upon all the old hates and sins and hurts and unloveliness of the past year, and press on. Search your heart and if there is any spirit of unforgiveness toward anyone: forgive and forget even as God has forgiven you.

It is easy to forget the things we ought to remember and so hard to forget the things we ought not to remember. We need to train our memories in the school of every-day living. Here is a "Good Memory Rule." Author unknown.

"To do all things, little and large, for God alone, out of love to Jesus, with a pure motive, in simplicity and all sincerity — this is heaven."

"I can do all things through Christ which strengtheneth me."

Phil. 4:13-14

BOARD OF EDUCATION

Richwoods Community High School is known for its educational standards throughout the State of Illinois and the nation. For a school to achieve such a reputation and scope, much work and planning had to begin long before 1957 when the school opened its doors to the first student body.

In these years of planning for a new high school for the district, it was necessary for a group of dedicated citizens in the community to devote many hours of their time to the thought and dream of Richwoods Community High School.

As this dream became a reality, community citizens continued their interest and gave of their time and ideas to help build Richwoods and help maintain its fine reputation.

Two bond issues for physical expansion have been passed in this District since 1957, when the school opened. This is proof that we live in a community where a sound education for their children is of utmost importance in the minds of the citizens.

In this fine community we have a core of citizens who devote untiring energy and time as an elected body who serve Richwoods Community High School without any financial compensation. This group is always willing to spend those extra hours in planning and building of Richwoods. Each year from the time of the dream to the reality there has been a nucleus of interested citizens serving the better interests of Richwoods. This includes the present Board of Education — Dr. Fred Endres, John Hall, Ralph Hoerr, Wheeler McDougal, Mrs. George Meyer, Jr., Arthur Szold and Henry Triebel. Other members of the community who have served this community as members of the Richwoods Board of Education are: H. Frederick Lange, William B. Mattocks, Charles Pattison, the late Frank Perardi and Frank Pittman.

We are proud of you, we are grateful and appreciative, and as a token of our "thanks" we the 1962 Excaliber Staff dedicate this 1962 volume to a group of the finest people we know — The Board of Education — District 312.

Mr. Henry Triebel, President of Richwoods Community High School Board of Education, District 312 — Peoria Heights, Illinois.

EXECUTIVE BOARD

Joe Yoches and Mike Underwood served this year's Student Council as President and Vice President respectively. This year's student council is composed of one representative from each homeroom and members elected at large in order to give equal representation for each class. The total membership is now 79, including the President, Vice President, and the American Field Service Student, Stein Mohn.

This year's Student Council, advised by Mrs. Ruth Hughes and Mr. Dale Holloway, were busy with numerous projects and service aims. Included in these projects were the sales booth, the food and toy drives, the bundle days, the A.F.S. program, and publication of the Student Directory and Student Handbook, as well as assisting with the newly organized Civil Defense Program. The Homecoming Dance, the Christmas Dance, the Spring Dance and several after-game dances were also sponsored by the Council.

The Richwoods' Student Council along with being extremely active here at Richwoods, belongs to the National Student Council Association, the District Student Council, the State Student Council of which Mike Underwood is First Vice President, and the Mid State Eight Student Council of which Bill Sudow is Treasurer and Flip Szold is Vice President.

The Richwoods Student Council feels that the following statement found in their purpose is so true: "Student Council assists in the development and upholding of the traditions of the school and fostering loyality and school spirit." Also the main purpose of the Student Council is to teach good citizenship — to develop leadership and followership.

The Student Council provides opportunities for development of leadership and of an awareness of responsibility and for maintaining a well-informed student body.

The Student Council affords opportunities for students to be of service to their school and their community and for cooperation among area schools.

A job, well-done, Student Council.

Mrs. Lois Dester, who sponsors this fine precision drill team, teaches the girls the various routines which they perform at basketball and football games as well as in the Homecoming parade. They certainly add a great deal to the school spirit here at Richwoods.

VARSITY CHEERLEADERS

The Varsity Cheerleaders, under the direction of Miss Adele Talaga, are very important in promoting school spirit. This year's cheerleaders, chosen during tryouts held in the fall, have done much to promote good will between Richwoods and other schools. A Mid-State 8 cheerleading workshop was held at Richwoods with girls from all the schools working together to improve their own styles and develop a Mid-State 8 cheer.

At both football and basketball games, the cheerleaders are always behind the team, lending encouragement to both the team and the fans.

FROSH-SOPH CHEERLEADERS

Students attending the Freshman and Sophomore games find the cheerleaders there and ready to lead them in backing our team.
